

IN THE SUPERIOR COURT OF COLUMBIA COUNTY  
STATE OF GEORGIA

HALEY CROWE

Plaintiff,

v.

WAYLAND WILLIS,

Defendant.

Civil Action File No.: 2025EDR0053

---

**DEFENDANT’S MOTION TO SEAL EXHIBIT E**

COMES NOW **Defendant, Wayland Willis**, pro se, respectfully moves this Court for an Order sealing **Exhibit E** submitted in connection with Defendant’s *Motion to Correct and Supplement the Record with Affidavits and Certified Documentation*. In support thereof, Defendant shows the Court as follows:

1. Exhibit E consists of laboratory testing documentation containing Defendant’s personal medical information.
2. While submission of this documentation is necessary to address factual matters affecting custody and parenting time, unrestricted public access to such medical information is not necessary for the adjudication of this case.
3. Defendant respectfully requests that Exhibit E be sealed from public access while remaining fully accessible to the Court, the parties, counsel of record, and the Guardian ad Litem.
4. This request is narrowly tailored and seeks only to protect sensitive personal information, without limiting the Court’s consideration of the evidence.

WHEREFORE, Defendant respectfully requests that the Court enter an Order sealing **Exhibit E** from public access, while permitting access by the Court, parties, and counsel of record as justice requires.

Respectfully submitted this 17th day of December, 2025.
